———. 2001–5. GenTerra. A live performance in collaboration with Bob Ferrell from the Department of Genetics, University of Pittsburgh; Linda Kauffman from the Department of Molecular Biology, the Mellon Institute; and Beatriz da Costa, an interdisciplinary artist, robotic art researcher and co-founder of
Preemptive Media. Presented at Magasin, National Centre for Contemporary Art, Grenoble, France (2001); other venues include St. Norbert Centre for the Arts, Winnipeg, Canada, the Henry Art Gallery, Seattle (April 2002); the Oldham Gallery, Manchester, UK (October 2002); and Working with Wetware: a forum on art using living biological systems, organized by The Arts Catalyst (the science art agency) as part of CLEAN ROOMS: Art meets biotechnology, the Natural History Museum, London (2003).
